

Fall ARTivities

Offered After School at Wetherill by Moving Studios

Wetherill teachers Donna Feltman and Elizabeth Luff created Moving Studios in 1990 to provide creative dance for children on-site at preschool and after school programs. They have led teacher trainings regionally and nationally including at 2 AMS conferences. Presently, Donna, a PA certified teacher, teaches a mixed group of 3-6 year olds in the morning and a kindergarten class in the afternoon at Wetherill. Elizabeth leads weekly music and dance at Wetherill and other area schools.

ARTivities is a nature-based, integrated arts curriculum for ages 4-6. Our artwork this fall session will reflect our source of inspiration--design and form found in our natural world. The last day of class families will be invited to join us from 4 - 4:30 and share in the creativity and joy of ARTivities.
